FAQ for Pumpkin Car Stereo KD-C0223+Y0801 (2)

Q14 : Wiring: where to hook up the loose wires on the bundle: 2 browns (keys), 1 orange (illumination), 1 orange with stripe (brake), 1 pink (reverse)?

A : This Depends on your [cars radio](#) harness. If these aren't present, you'll need to extend the wires and tap into wherever they are on your car. Keys are for the resistive steering wheel controls. Illumination and reverse are self explanatory, and available in the harnesses under the dash. Brake (and often reverse) you sometimes have to route over to the handbrake area which may require a pretty long wire extension. Get a manual for your car or hire a professional if you are uncomfortable.
