

Five stars product with great customer service

Very happy. Already installed the [Single Din Android 10 head unit](#) for 3 weeks, runs very fast, does not heat, does not lag. I am updating my review for this company from a one star to a five-star. Very good stamping and casting quality of metal parts. Plastic is also very well made, haptic not the best, but the volume control is soft padded and is very comfortable, does not slip through. Image is TOP, colors are very good and even. Touchscreen goes without problems even Multi. I have problem with the backup camera installation, they dealt with my issues immediately professionally and took care of

everything right away..

Their customer service is second to none. I love the radio, it makes my GMC safer to back up with the backup camera. So – recommendation to buy.

Headphones that let you move more freely

You have the music, you have telephony, you have freedom of movement – but you don't have a cable. That's the difference wireless headphones featuring Bluetooth make. Easy on the batteries Bluetooth headsets allow for hours and hours of listening pleasure. Furthermore, without a cable to be careful about, they make great travelling companions.

[Pumpkin](#) also released [wireless Bluetooth headsets](#) recently. The features of them are followings.

Active noise cancelling technology: Greatly reduce the noise during travel, work and anywhere in between. Advanced active noise reduction technology can eliminate aircraft cabin noise, urban traffic or busy offices, allowing you to focus on what you want to listen to and enjoy music, movies and videos. The noise cancellation function can work normally in wired and wireless modes.

Comfortable design: The earmuffs imitate the texture of human skin to ensure lasting comfort. They are foldable and stretchable, so you can find the perfect fit and outstanding durability without constraints. Zihnic is the best choice for boys, girls, children, teenagers and adults for travel, sports and daily use.

Bluetooth 5.0 connection: used to provide fast and stable Bluetooth connection. Simply slide the on/off button and the headset will enter pairing mode. The wireless headset is compatible with all Bluetooth-enabled or 3.5 mm plug cables! You can also receive calls and perform hands-free communication through a special noise reduction technology microphone. Pumpkin headset is compatible with all mobile phones, tablets, Pods and PCs.

Dual Screen Portable DVD player & Twin DVD player

Dual screen DVD player is common used now, but do you know dual screen DVD player can be divided into two types? It can be divided into dual screen portable DVD player and twin DVD player. Although they seem similar, each DVD player offers a very different set up to the other and has different advantages and disadvantages. These two are ideal for in-car.

Dual Screen Portable DVD player

- Share the same movie on both screens
- The slave player can not accept DVD discs and cannot play another different DVD movie.
- Slave player can be powered by main player
- Lower price than twin DVD player

EASY TO SHARE A DVD

WATCH 2 DIFFERENT DVDS

Twin DVD player

- Share the same movie on both screens
- Watch different movies on each screens
- The two screens can be split up from each other and used totally independently to the other
- Offers a much more flexible solution
- More expensive than dual screen portable DVD player

When considering which portable DVD player set up to buy the main influencing factor is always going to be the part you value most. For example, the twin DVD player able to meet age and gender gap between kids. But if your kids are similar ages and are happy to watch the same movie, then a dual screen portable DVD player may well be the ideal solution.
