

Best Pumpkin Customer Service

The product is as good as advertised. The product is not the only story behind how amazing was this experience. I lost the manual after it arrived, I got in contact with the company and they sent an e-replacement manual right away. After I broke the faceplate that serves as a trim to the radio. I contacted them again to see if I could buy another faceplate and they sent one free of charge. Not only the product is amazing, but their customer service is superb. I have them as my go to vendor for other things.
