[How to connect the 3G or android Dongle?](#)

This is the customer question: Could you please tell me how can I connect Huawei dongle for internet connection? If you have the same as about that issue, you can do that like this.

You need to connect the 3G card to USB interface, the 3G must support WCDMA and the unit have to turn off. Then turn on the unit, the 3G network will be automatic connected.
The same as android dongle. But your Huawei dongle maybe can't support our unit and you need to try it.

[How to change FM/AM Radio channel or tuner?](#)

In the process of using, you may be meet FM/AM Radio doesn't your country channel, like this problem:
AM radio seems to be tuning for euro channel spacing.
How do I change the regional settings for North America?
so how to solve it?
The SKU have include this GS, JY and KD, the UI like

You can do it like this steps:
First, open setting, click factory settings.

Second, enter password word:126
