# DVD player input video from car radio via AV cable

Most [Pumpkin DVD players](#) have AV input and output functions, if your car radio also has AV output functions, everything is easy to solve.

If your car radio and your headrest player are connected via an AV cable, you can simultaneously watch the video on the car radio on the headrest player. Even if you need to use the car radio for navigation and other functions, the video can still be synchronized. Since your car radio can connect to WIFI or the Internet, you can also play online videos such as YouTube videos and synchronize them with your headrest player.

The simple operation brings more practical functional experience:

## Dual Screen Portable DVD player & Twin DVD player

Dual screen DVD player is common used now, but do you know dual screen DVD player can be divided into two types? It can be divided into dual screen portable DVD player and twin DVD player. Although they seem similar, each DVD player offers a very different set up to the other and has different advantages and disadvantages. These two are ideal for in-car.

### Dual Screen Portable DVD player

- Share the same movie on both screens
- The slave player can not accept DVD discs and cannot play another different DVD movie.
- Slave player can be powered by main player
- Lower price than twin DVD player

EASY TO SHARE A DVD

WATCH 2 DIFFERENT DVDS

### Twin DVD player

- Share the same movie on both screens

- Watch different movies on each screens
- The two screens can be split up from each other and used totally independently to the other
- Offers a much more flexible solution
- More expensive than dual screen portable DVD player

When considering which portable DVD player set up to buy the main influencing factor is always going to be the part you value most. For example, the twin DVD player able to meet age and gender gap between kids. But if your kids are similar ages and are happy to watch the same movie, then a dual screen portable DVD player may well be the ideal solution.

[Pumpkin](#) supplies dual screen DVD players and twin DVD players. You can view [Pumpkin](#) full range of portable DVD players.
