

How to choose the car stereo to fits my car?

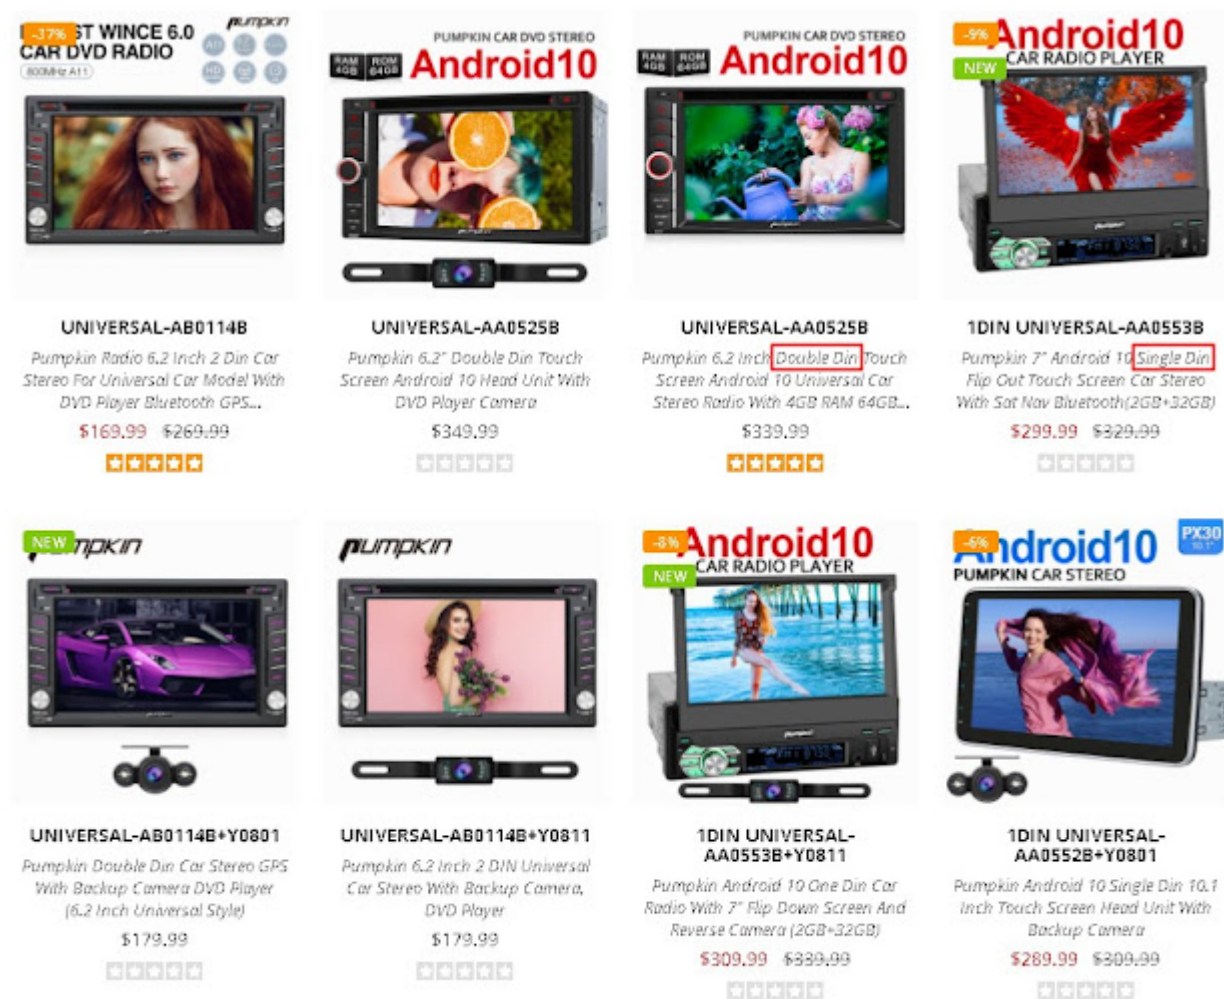

For those of you who feel in the dark about how to go about getting a custom fit car stereo, we can understand. There are thousands of car stereos on the market and you will no doubt be asking yourself the question: **'what car stereo fits my car?'**

Unfortunately, it's often not as straightforward as just picking the best looking one, as most car stereos created are custom fit for specific models. Whilst this is often the case for the majority of car stereos, there are exceptions.

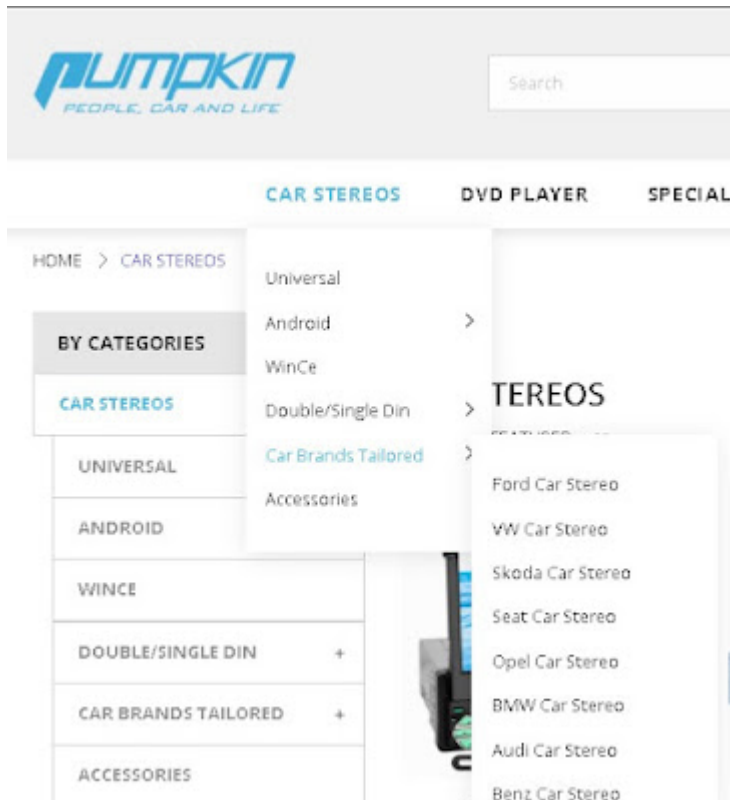

What Universal Car Stereo Fits My Car?

On our website, you'll notice all of our universal fit units are labelled with double DIN or single DIN. It's actually these slots in your vehicle that carry the same measurements worldwide, making them universal in size, therefore we can design car stereos to accommodate.

What Custom Fit Car Stereo Fits My Car

Unless it states 'Universal' , the car stereo you are looking at will be custom fit. To help make finding your perfect upgrade as easy as possible on our website, we have made a separate sub-column.

You may notice that some units contain multiple manufacturer names, like "[VW/SKODA/SEAT CAR STEREO](#)"
