<u>How to Keep Your BMW Android</u> <u>Car Stereo from Being Stolen</u>

Even when you park your BMW in an area that is not known for b eing at high risk of theft, you should take all of the proper precautions to ensure that your BMW can't be broken into. Othe rwise, it might happened this:

It's important to reduce the probability of items getting stol en from your car as well by having the interior of your car lo ok as unattractive as possible to criminals. This means you sh ouldn't flaunt an expensive <u>BMW Android car stereo</u> system in a reas and you make sure your security system is fully activated

Things You'll Need

- Speaker covers
- Fake plate cover
- Security system

Instructions

 Turn your car radio down when you begin to approach the area where you plan on parking. You don't want to call a ttention to your sound system to any criminals in the ar ea that may hear that you may own an expensive <u>car DVD p</u> <u>layer</u>.

- Park in an area that is well lit with traffic and pedest rians often near by. If parking in a parking garage make sure there is a parking attendant on duty and cameras p ointed near where you park your car.
- Take anything out of theinterior of your car that could attract theft, including loose change, CD case or shoppi ng bags. Place these items in the trunk of your car.
- Place speaker covers over any expensive speakers that ca n be visible from the outside. Consider placing a fake p late over your stereos head unit so that it looks cheape r then it really is.
- Make sure you car has an efficient security system. A sy stem that is loud and calls attention to your car if it' s touched is the best to use. Make sure all doors are co mpletely locked and take note of your surrounding before leaving you car.
