(it can not support the original Onstar)

GPS

Map Storage Mode: Micro SD Card

Voice Guidance: Yes (Include most Languages)

3D Map: Yes

POI Display: Yes

GPS Communication Port: Auto Search and connect

AV Output

Many car radios in the market can only spread the DVD video to [headrest](#).

This unit can display almost everything to your headrests, even the online Youtube video and the video from USB/SD card .

Steering Wheel Control

Change the track, volume, etc. conveniently without taking your hands off the steering wheel, which makes your driving much safer.

DAB+ Digital Radio ([Extra DAB+ box](#) required)

Digital Audio Broadcasting allows you multi-regional music with your local well-known and also new channels. CD sound quality and noise-free in excellent transmission make DAB Radio a special experience in the vehicle. Permanent increase in channels and expansion of the station area soon make DAB accessible to most of Europe.

(If interested ,please buy the DAB+ box from us)

OBD2 (Extra OBD device required)

Compatible: Most of [Bluetooth type ELM327 OBD2 scanner](#)
(Search Y0004 on our website)

Compatible Application: Torque

Display Data: Real-time data and trouble codes from vehicles computer.

(Attention: Few cars may not support the ECU reading accessing, those cars will not work this function.)

Cam-In (Extra [backup camera](#) device required)

Support reverse camera input , automatically trigger to reverse camera when reversing the car. (Only support RCA type reverse camera input).

Mirror-link

Mirror your phone on the 7 inch screen .

For Android phone ,use USB connection ,you can mirror and

control on the unit .

For iPhone 6/6 plus/5/5c/5S ,use wifi connection,you can just mirror on the unit ,can not control.

Optional warehouse and logistics:

Orders can be shipped from German warehouse,UK warehouse and Hongkong warehouse.This makes you free of high customs tax.Orders in our US website will be shipping from Hongkong. Hongkong warehouse could provide you more auto radios and accessories.

If you're from UK,it's better to purchase from our [UK website](#),then the order will be shipped from UK without custom fee.If you're from other European country,it's better to purchase from our [DE website](#),then the orders will be shipped from Germany without custom fee.

Guidance before purchase:

1.Please check the dimension of original car radio with our unit before purchasing.

2.Please send photo of your car's dashboard and the photo of your car's plug harness which connects to radio to autopumpkin@gmail.com and tell us your car model and year if you're not sure whether it will fit and work on your car perfectly.
