

Decent quality and valued unit

Quality unit that works as advertised. Works well with other car launchers like Agama and Car Launcher Pro. I recommend PowerAmp media player although I'm still figuring out getting the PowerAmp EQ to work properly.

I was slightly skeptical about ordering one of these. But I decided to take a gamble and so far I'm pleased with the unit. Touch sensitivity and response is right on point. It's fairly easy to operate and more customizable than I figured it would be. It's basically just a big cell phone in your vehicle.

Upgrading from a 7" Android head unit to this 10.1" unit I had the advantage of experience with the OS and different car launchers. Take your time and research the capabilities of this PX5 Android head unit and you can do almost anything you want, car stereo-wise. Have fun making your car stereo experience your own.

Good replacement head unit

Unit arrived on time and very easy to fit into VW 2014 T5.1 making a perfect fit. Wiring very easy especially if you have ever fitted head unit previously. If you have any uncertainty of installation, you can contact the Pumpkin tech support. All accessories connected easily, rear camera, WiFi, GPS, microphone. Bluetooth to phone and contacts are great etc. Small tech issue with door open display which easily corrected with quick email to tech support and changes made in settings. Excellent head unit.

Five stars product with great customer service

Very happy. Already installed the [Single Din Android 10 head unit](#) for 3 weeks, runs very fast, does not heat, does not lag. I am updating my review for this company from a one star to a five-star. Very good stamping and casting quality of metal parts. Plastic is also very well made, haptic not the best, but the volume control is soft padded and is very comfortable, does not slip through. Image is TOP, colors are very good and even. Touchscreen goes without problems even Multi. I have problem with the backup camera installation, they dealt with my issues immediately professionally and took care of

everything right away..

Their customer service is second to none. I love the radio, it makes my GMC safer to back up with the backup camera. So – recommendation to buy.
