

Keep Your Children Entertained with a Portable DVD Player

On long trips, watching movies makes it more fun and short, especially when you with kids. So, portable DVD player is important for family trips, it not only can entertain your children but you will also have a peaceful drive without having to entertain bored kids.

Portable DVD player can be used everywhere, not only in car, but also home or outdoor. Although taking your movies with you anywhere is simple today, even with the quality of a screen and a suitable player, since there are still things that phones and tablets can not do, like reading a DVD.

Generally, DVD player can run last for 5 to 7 hours after a once full charge. The capacity of the DVD player battery is large nowadays. And it also has a port which can charge from car cigarette.

Dual Screen Portable DVD player & Twin DVD player

Dual screen DVD player is common used now, but do you know dual screen DVD player can be divided into two types? It can be divided into dual screen portable DVD player and twin DVD player. Although they seem similar, each DVD player offers a very different set up to the other and has different advantages and disadvantages. These two are ideal for in-car.

Dual Screen Portable DVD player

- Share the same movie on both screens
- The slave player can not accept DVD discs and cannot play another different DVD movie.
- Slave player can be powered by main player
- Lower price than twin DVD player

EASY TO SHARE A DVD

WATCH 2 DIFFERENT DVDS

Twin DVD player

- Share the same movie on both screens
- Watch different movies on each screens
- The two screens can be split up from each other and used totally independently to the other
- Offers a much more flexible solution
- More expensive than dual screen portable DVD player

When considering which portable DVD player set up to buy the main influencing factor is always going to be the part you value most. For example, the twin DVD player able to meet age and gender gap between kids. But if your kids are similar ages and are happy to watch the same movie, then a dual screen portable DVD player may well be the ideal solution.
